CELEBRATE SIXTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Adam Ferguson of Champion (shown above) celebrated their 60th wedding anniversary on Nov. 18, 1963. Thirty-eight guests, including their complete immediate family of children, grandchildren and great-grandchildren helped them mark the occasion. Mr. and Mrs. Ferguson homesteaded in the Harmony district in 1908. (Complete story in Champion news on page 5).

Vulcan Police Kept Busy During Past Two Months

Fines totalling \$468 were paid during the months of September and October at police court resulting from 31 cases appearing before magistrate W. A. Shields. In September, 41 complaints resulted in 15 going to court which totalled \$178 in fines. These were mostly involving traffic offences including two from speeding charges. Others dealt with illegal possession of liquor in two instances, and two charges of fighting in a public place. Four car accidents reported and in one, a car was impounded for some time when the owner failed to produce a pink card. Four local juveniles were charged in court with theft and were turned over to juvenile authorities. A break-in of a local implement business was reported but no loss sustained. Investigation indicated this to be likely the work of local

persons and not the start of the usual rash of break-ins which are attempted by outsiders during the winter months.

A warrant is out for the arrest of a one-time farm laborer in the district who wrote a cheque on his employer, then disappeared.

During October, 36 complaints resulted in 16 cases being heard in court.

Three speeding charges headed a list of traffic violations. Five persons were charged with being intoxicated in a public place while one charge of illegal possession of liquor was heard. A fine of \$100 was levied in one impaired driving charge.

A car stolen from main street was later found abandoned in the country.

Four minor accidents were reported which resulted in \$350 in damages.

Open Mondays In December

Notice is contained elsewhere in this issue, of the change in store hours which will be in effect during December.

Vulcan merchants will be open Mondays during the coming month to facilitate shopping by residents of this area. Five extra shopping days, Dec. 2, 9, 16, 23 and 30, will give residents a six-day week in which to take care of this heavy rush of Christmas preparation.

Site Okayed For Kinsmen Playground

The building of a Kinsmen Children's Park, the first project of the Vulcan Kinsmen Club, received a boost recently when council gave approval of the use of the park area south of the Lion swimming pool, for a playground.

Treed on two sides, adjoining the swimming pool and fronted by a quiet street, the location is deemed ideal for playground purposes by Kinsmen and a figure of \$2,000 has been set to provide equipment and construction. Through previous money-raising ventures \$440 has already been raised and it is hoped the playground will become a reality in the not-too-distant future.

At the Thursday, Nov. 21, supper meeting of the club it was decided to host a curling bonspiel in February involving nine clubs from this zone. This will be an overnight affair with one game going Saturday night and others played Sunday.

Guests welcomed to the Kinsmen supper were Don Hyle of the local Imperial Bank of Commerce and Gordon Calhoun of Lethbridge.

Youths Injured In Accident Near Kirkcaldy

The slippery condition of the highway Saturday night was a contributing factor to an accident which occurred near Kirkcaldy shortly after midnight Saturday. Dwight Farrell of Champion is suffering from fractured neck vertebrae and has been moved from the Vulcan Hospital to a Calgary hospital for special treatment, and Frank Cummins, also of Champion, escaped with minor injuries. Both boys are Grade 12 students at the County Central High School, Vulcan.

Welcome To Shopper's Day Sat.

The Christmas shopping season will be ushered in with pleasant surprises to the harried homemaker this Saturday as the Vulcan Chamber of Commerce opens the town to its fourth annual Shopper's Day.

This year's schedule has been tailored to fit the season and visitors will see an absence of outdoor events which characterized the three previous shopping spurts. However these have been replaced with indoor attractions which should suit everyone.

In the morning stores will feature one-hour specials although in some cases, specials will be continuous. At 1:00 p.m. advantage will be taken of the Canada-wide feature, the televising of the Grey Cup game, and any fans wanting to catch both the Shopper's Day and the football classic may do so by dropping down to the Vulcan Lodge Hall where a TV set will be installed.

For young children a free show will be waiting at 1:00 p.m. while a

second showing takes place at 3:00 o'clock. For those kiddies who have always considered that the free show at this time of year always goes with a visit from dear old Santa, they may rest assured that they won't be forgotten. Santa will come to Vulcan this year but on a Saturday closer to Christmas.

Afternoon events for ladies include a tea, bazaar and bake sale, starting at 3:00 p.m. in the United Church basement, sponsored by women of the United Church, and also at 3:00 p.m. a bake sale with proceeds going towards the Vulcan County Junior and Senior Bands, in the Legion Hall.

From 4:30 to 5:30 p.m. stores will once again feature one-hour specials and at 5:00 p.m. the Catholic Women's League will cater to supper at the Vulcan Lodge Hall.

In an effort to focus public attention on the fact that Vulcan has, after years of absence, a growing band organization, arrangements

have been made to present a short evening concert by both the junior and senior groups of the Vulcan County Band Association. About 40 members make up the junior band while the senior band has 20 musicians. They will be heard beginning at 7:30 p.m. at the Lodge Hall. Of much encouragement to the association is the announcement that proceeds from the Shopper's Day will be turned over to it.

No Vulcan Shopper's Day would be complete without a wind-up dance and the event is not being overlooked this time. Young and old will be whooping it up once more but this time it will not be under the stars on main street but in the warmth of the Armouries. A Taber orchestra will provide music.

Vulcan is growing. A quick review of development in the past five years is evidence of this fact and keeping up with this growth are its merchants. Come along Saturday and see for yourself.

Members of Vulcan's Fire Brigade are shown above as they poured water into the trailer of the fire truck. Mr. and Mrs. Dave Blair during the fire Tuesday, Nov. 12. An oil heater was believed to have been the cause of the fire which severely damaged the interior.

Accident Takes Life Of Clark Fletcher

A car accident on Saturday, Nov. 23, 1963, took the life of Clark Henderson Fletcher of High River, well known in Vulcan. It is reported that no other cars were involved in the accident, which occurred between Brant and High River and further details were not available at the time of writing.

Aged 54 years, Clark Fletcher is survived by his wife, Floy Edith; one daughter, Margo and one son, Wayne, all of High River; his mother, Mrs. L. N. Fletcher of Calgary; five sisters, Mrs. H. (Freddie) Kenn, Mrs. F. (Betty) Killian and Miss Georgie Fletcher, all of Calgary, Mrs. R. (Norma) Robinson of Vancouver and Mrs. S. (Ollie) Vance of Saskatoon; four brothers, Frank, William, Clifford and Stanley, all of Brant. One brother, Jack, predeceased him a few years ago.

Services were conducted by Rev. Morse Johnson at the High River United Church on Tuesday, Nov. 26, at 2:00 p.m. and interment was in Mountainview Memorial Gardens, Calgary.

Candlelight Circle November Meetings of County Committees Held

The annual meeting of the Candlelight Circle of the Church of Christ was held at the home of Betty Wickstrom on Nov. 12, with 14 members and two visitors present. Roll call was answered with "Hints and Ideas" for the program books for the new year.

Following routine business and conveners' reports, plans were made and discussed for catering to the Southern Alberta Christian Men's Fellowship Supper on Sunday, Nov. 24. A donation of \$10 was made to Alberta Bible College and \$10 was also sent to Prem-latta, an adoptee at the Kulpahar Mission in India. Plans for the annual Christmas party for the group were made, the date being set for Dec. 12. Ila Turley, in the absence of Mr. Pelham, brought the devotional entitled: "Church or Christ."

The officers for the coming year are as follows: President, Jean Gardner; vice-president, Margaret Davis; secretary-treasurer, Wilma Boutland; social secretary, Joyce Deans.

A lovely lunch was served by the hostess and her assistants, Joyce Pelham and Lynn Middleton, to conclude the evening's activities.

Corey Clark Dies At Calgary

Corey Russell Clark, aged 12, the son of Mr. and Mrs. Ralph Clark of Calgary, formerly of Vulcan, died on November 23, 1963.

Born at Vulcan he had lived at Calgary since 1958 and was a student at Killarney public school.

Besides his parents he is survived by three sisters, Mrs. Dale (Karon) Leinweber, Kelly and Kathy, and his grandparents, Mr. and Mrs. W. R. Carruthers, all of Calgary.

Rev. W. C. Tompkins conducted services at Jacques Funeral Home, Calgary, on Tuesday, Nov. 26, and interment was in Mountainview Memorial Gardens. In lieu of flowers, donations may be made to the Canadian Cancer Society.

The regular November meeting of the Council of the County of Vulcan No. 2 was held in the Council Room, County building, Vulcan, Alberta, on Thursday, Nov. 14. Reeve Jack Deitz presided and Councillors Frank Hubka, Ivan Haga, R. S. Irwin, Arthur Cuthforth, A. McAllister, M. Willard, J. M. McKay, Frank Thurber, Arthur Ulrich and Donald McQueen were present. Also present at the meeting was D. D. McQueen, secretary-treasurer.

The financial statement for the month of October 1963 was read and discussed. The secretary pointed out various details of the statement, and noted that there was in the neighborhood of \$30,000 unexpended in the Municipal Committee account. It was moved by Mr. Haga and carried that the financial statement be adopted.

A bill from Municipal Engineering Services in the sum of \$498.30, was read to the council. The company asked that the amount be paid. It was noted that this bill was incurred by the individual residents of Mossleigh who had endeavored to promote a by-law for the installation of a water system. Councillors felt that the County did not incur this account and was not responsible for it and tabled the matter.

A letter from the Vulcan Recreation Centre, asking that the county appoint a representative to that organization, was read. Councillors felt that this matter was beyond the scope of the business of the county and failed to appoint a representative.

Councillors discussed the Cultural Development Act, and noted that Section 14 provided that a municipality may, by-law, establish a recreational area, approve the appointment of a Recreational Board, and levy a tax to meet the expenses of the board without referring the whole matter to a vote of the ratepayers. The general feeling of the councillors was that the secretary-treasurer prepare a resolution to the forthcoming Municipal Districts Association Convention, urging that the provincial government amend the Cultural Development Act to provide that such a by-law have no force or effect until ratified by a two-thirds vote of the pro-

Cenotaph Dedicated At Milo

(By Queenstown Correspondent) The Milo United Church was full to capacity for the Queenstown-Milo Legion Armistice service which was held on Monday, Nov. 11. Rev. Donald A. Sharpe of Vulcan conducted the service with Raymond Speaker, M.L.A., reading the scripture.

During the service Raymond Speaker, presented a plaque to Mrs. Peter Dawson on behalf of the Legion in memory of the late Rev. Peter Dawson who devoted much time and effort to the local Legion.

The veterans were escorted from the church by flag bearers, T. Webber and Frank Sims, fol-

lowed by Lawrence Smith, Sergeant-at-arms. The veterans and congregation assembled at the gate of the Lake McGregor Park where the unveiling and dedication of the cenotaph took place. R. O. Bertrand, Mayor of Milo, gave the opening address congratulating the local for the partaking of such a worthy project, also for the spot of which they chose to erect the memorial. The memorial was constructed by Joe Davenport of Cluny with the assistance of the Legion members.

Comrade Wm. Williams, past president of the Alberta Command, unveiled the cenotaph and Rev. Sharpe conducted the dedication

ceremony. Joe Thomson, Sr., laid a wreath on the base of the cenotaph in memory of those who sacrificed their lives in the four wars, namely: World War I, World War II, the Boer War and the Korean War. Following the ceremony the veterans and their families and the distinguished guests enjoyed a turkey dinner at the Milo Cafe.

Ordan Lahd, president of the Queenstown-Milo Legion, and his executive were responsible for the organization of this memorable day which will long be remembered by the people of the district. To them we shall always be grateful.

Boy Scouts Camp Impeesa Is Project Of Canada's Centennial In Pincher Area

Plans for a \$71,500 Centennial southern Alberta-wide centennial project to be announced which will provide an opportunity for full regional participation.

The Southern Alberta Boy Scout Region covers 11 districts with an enrollment of 5,000 Scouts and Cubs. The districts include Lake McGregor, West Wind, Flatlands, Sunshine, Chinook, Lethbridge, Cardston, Grizzly, Porcupine, Foremost and Medicine Hat.

The development program of the Camp Impeesa is the first camp, backdropped by Table Mountain in the rugged Rockies, calls for a start this fall and completion by 1967. It is expected that the centennial year will see one of the biggest Scout jamborees ever held in Western Canada as a commemoration for the official opening.

Impeesa was the Zulu name given to Lord Baden-Powell, founder of the world-wide Boy Scout movement. The name itself means the "wolf that never sleeps" — symbolizing a creed that the Boy Scout movement is always vigilant to the need of tomorrow's citizens.

Work on the project was initiated more than a year ago in consultation with John Hogan of Blairmore, superintendent of the Crownstee Forest Reserve. After the camp location was settled Mr. Hogan arranged a long-term lease through the lands and forests department of the provincial government.

The following estimates on expenditures have been listed by the camp building committee under the chairmanship of Andrew Holmes: road into campsite, \$5,000; main administration building, \$5,000; six cub villages, central lodge for each at \$5,000; six cub huts to each village at \$150 each; health unit and first aid centre, \$3,000; power improvement, \$3,000; camp equipment, \$3,000; approved drinking water installations, \$3,000; approved latrine facilities, \$3,000; beach and dock facilities, \$2,000; boating facilities, \$1,600; recreational equipment, \$1,500; site clearance equipment work, \$1,500; camp truck, \$1,000; promotion, stationery and miscellaneous expenses, \$3,500.

The entire camp layout is expected to be built through contributions from individuals, organizations, communities. Canada's centennial organization is to be approached also.

The camp's building committee says that in selecting one or more units of Impeesa Centennial Boy Scout Camp as a project or centennial gift, an individual, group or community may sponsor a memorial dedicated to the service of youth. Appropriate recognition will mark the memorial unit if desired.

Contribution plans for individuals, groups or communities can be devised to suit the best interests of the donor.

Individuals making contributions will be given tax-deductible certificates.

Additional information about the project may be had by contacting Mr. Holmes, the chairman; Ric T. Clarke, regional executive commissioner; John Carmine, regional commissioner, or members of the building committee: Steven Dennecky, Morris Mitchell, Dr. W. A. Gray; Joe Balla, Dr. John Dornmaier; Ernie Holbertson; Ron E. Knight; Brian Ellingworth; Wray Kenney; Emil Pfaff and Tom Welsh.

Headquarters for the project will be at the Scout Hall, 217 - 12th Street A South, Lethbridge. The telephone number is 327-4647.

Used Car Buyers...

"GUARANTEED WARRANTY"
IS NOW AVAILABLE AT LEADING FRANCHISED CAR DEALERS

Authorized by the Alberta Automobile Dealers Association, it is a Used Car Warranty that is good at thousands of franchised car dealers in Canada and the United States. Here are six reasons why it is the best used car warranty available—

- 1 Unlike many types of merchandise warranties, it not only guarantees you 15% discount on all parts BUT ALSO it guarantees you 15% on all labor... and it is good for ONE FULL year.
- 2 It assures you a TRUE discount BECAUSE you do not show the "GW" Certificate UNTIL AFTER the repair work is done.
- 8 Unlike other used car warranties, it is good at thousands of franchised dealers in Canada and in the United States... not just at the selling dealer's place of business.
- 4 It gives you warranty service by properly qualified mechanics with factory-approved parts and equipment BECAUSE only franchised new car dealers can qualify as "GW" members.
- 5 It includes items not covered by most warranties such as tires, mufflers, batteries, brake adjustments and linings, spark plugs, tune-ups, wheel balancing, front end alignments, etc.
- 6 The Guaranteed Warranty plan is a permanent program approved and supervised by the official Automobile Dealer Association in each participating Province or State.

We are pleased to be able to give our used car customers the advantages of this "Guaranteed Warranty" which will be honored by any of 10,000 new car dealers.

DIAMOND WEDDING
ANNIVERSARY
1903 — 1963

November 18th, 1963 was a red letter day for Mr. and Mrs. Adam Ferguson of Champion, — their sixtieth wedding anniversary, when family and friends all turned out to greet with congratulations and best wishes this pioneer couple who homesteaded in the Harmony district in 1908.

Mr. and Mrs. Ferguson lived continuously on their farm, enjoying a beautiful garden and parklike surroundings, until 1962, when they moved into Champion. They are still in good health, and still enjoying a flower garden on a smaller scale in their new surroundings.

On Sunday, Nov. 17th, members of the family and relatives gathered at the home of Mr. and Mrs. Henry Ferguson to honor the happy couple. Thirty-eight guests, including the complete immediate family of children, grandchildren and great grandchildren, sat down to a sumptuous turkey dinner while twenty-six were still present for supper. Mr. and Mrs. Victor Ferguson and family from Ponoka, Miss Norma Ferguson from Edmonton where she is attending University, Miss Esther Ferguson from Lethbridge, Mr. and Mrs. Harry Ferguson and family from Claresholm, Mr. and Mrs. Gordon Bray of Devon, Mr. George Ferguson from Saskatchewan and other friends from out of the district were present for the celebration.

Monday afternoon, Nov. 18th, Open House was held from three until five at the home of Mr. and Mrs. Henry Ferguson, when about 160 guests from near and far called to congratulate Gram and Grampa, as they are affectionately known to both family and friends, and enjoy a visit with them and partake of refreshments including wedding cake made and decorated by daughter Esther. Hostesses for the occasion were Mrs. Henry Ferguson, Mrs. Joe Fath, Miss Esther Ferguson and Mrs. Bill Racher.

Sharing honors at the tea table were Mrs. Ted Carlson and Mrs. Henry Lebsack for the first hour. Mrs. Fred Geschwendt and Mrs. Ernie Nowlin poured for the second

hour. Servitors were Mrs. Andy Dunipace, Mrs. Steve Cowgill, Mrs. Marguerite Ivarson, Mrs. Lorna Bray and Mrs. Alf Fleetwood.

Mrs. Margaret Rhodes was in charge of the guest book.

Many and lovely were the bouquets of flowers and congratulatory cards in evidence around the house. Telegrams and cablegrams came from near and far, and included messages from Queen Elizabeth, Honorable Lester Pearson, Hon. E. C. Manning, Lt. Gov. J. Percy Page, David Hunter, The County of Vulcan, Tino Pasolli and his new bride in Italy and Peggy Kurta of Los Angeles.

BROWNIES

Six Tweenies were enrolled in the First Champion Brownie Pack on Tuesday evening, Nov. 19. The new Brownies are Colleen Jones, Dianna Main, Lou Anne Clifford, Faye Stephenson, Susan Gillet and Vickie Gillet. Service stars were presented to three Brownies and one guide, while four Guiders of the Pack and Guide Company received service stars. A total of 26 Proficiency Badges were presented to the Brownies. Maureen Close and Marjorie Carlson flew into Guides. An excellent representation of mothers and guests were present to make the Brownies' evening a success.

GUIDE ASSOCIATION

The Guide Association held a meeting in the Club Room of the Community Hall on Tuesday, Nov. 19, with a fair attendance. Mrs. George Hummel presided over the meeting assisted by the secretary, Mrs. Jack Middleton. Letters of resignation from the association from Mrs. S. L. Jones, Mrs. C. Sletto and Mrs. R. G. Davey were read.

In the election that followed, the following were elected to office: Mrs. George Hummel, president and Mrs. Donald Clifford, vice-president. It was decided to donate \$25 to the Champion Community Hall. There will be no bake sale this year. Lunch was served by the Guides at the close of the evening.

WOMEN'S INSTITUTE

The November meeting of the WI met at the home of Mrs. John Hunzinger. Eight members were present. Mrs. Andrew Dunipace, vice-president presided over the meeting. Roll call was answered by giving toys to the Crippled Children's Hospital. The next item of business was the election of officers with the following results: Mrs. Andrew Dunipace, president; Mrs. May Chamberlin, vice-president; Mrs. John Hunzinger, secretary; Mrs. H. W. Marshman, treasurer; Mrs. E. D. Nowlin, Mrs. F. L. Little and Mrs. Henry Ferguson, directors. The raffle was won by Mrs. Ella Sisson. on a 619. After discussing this matter for some time, the representatives advised the committee that they would take representations to their management to authorize a discount of some 50% to the county.

It was moved and carried that the county apply for Winter Works Program grant on a road straightening job in Section 25-20-26-4.

It was moved and carried that the committee authorize the construction of road diversion and the purchase of right-of-way between Sections 11 and 12-17-21-4, Armada. This to be done at the expense of the Canadian Pacific Railway in lieu of the company's rebuilding an overhead pass over the C.P.R. right-of-way.

It was moved and carried that the county purchase 120 sets of Pacal grader blades at \$55 per set, and 200 bolts and nuts at 25c each, from Waterous Equipment Ltd., invoice to be payable in three instalments, March 1, June 1 and Aug. 1, 1964.

Mr. Nelson of the firm of Strong, Lamb and Nelson Ltd. Consulting Professional Engineers, was present at the meeting and presented his firm's recommendations and procedures in doing paving on municipal roads.

Committee members discussed with Mr. O'Reilly and Mr. Dersch the progress being made in the 1963 road grant program at the present time.

School Committee

The regular meeting of the School Committee of the County of Vulcan No. 2 was held on Tuesday, Nov. 12. Chairman of the committee, J. M. McKay, presided and Committee Members Frank Thurber, A. Cutforth, A. McAllister, R. O. Bertrand and George Moses were present. Absent from the meeting was Guy E. Voisey, representative from the Town of Vulcan, due to ill health. Also present at the meeting were E. K. Hawkesworth, superintendent of Schools and D. D. McQueen, secretary-treasurer.

The matter of four students breaking windows at the high school on Hallowe'en was discussed. It was noted that the conduct of these four students had been a problem for a long time. It was decided that two of the students would be permanently suspended from County of Vulcan schools, effective immediately, and the other two be suspended for the balance of this school term. Damages are to be paid by the parents or guardians concerned.

John Perley, repairman, was present at the meeting and discussed with the committee various items of repairs which needed his attention.

The state of the painting contract was discussed. It was noted that the painting at the Milo and Arrowwood teacherages had not been finished and the delay was causing inconvenience in getting the storm windows put up and other work was to be done at Lomond. Instructions were given to the secretary to get in touch with the painter and urge him to finish Milo and Arrowwood first, and then Lomond, the work to be done as soon as possible.

It was regularly moved and carried that the secretary write to the Department of Highways and request the department to erect School Bus signs on Highways 23 and 24, the sign to be "Unlawful to Pass School Bus Loading or Unloading."

It was moved and carried that the Christmas Holidays commence with the closing of school at 3:30 p.m. on Dec. 20, and re-open on Friday, Jan. 3, 1964.

Mr. Hawkesworth read a report from Dr. Kozol in respect to Physical Education in the Vulcan Elementary School. Committee members took note of the information and ordered the letter filed.

BAND NEWS

(By Lloyd Jones)

On July 19, of this year, many of the citizens of the county met and unanimously decided to form the County of Vulcan Band Association. This organization was given the task of developing both a junior and a senior band for the county. The task was not an easy one, and it required much time and work by many people.

On Monday Nov. 18, the citizens of the county again met, this time to witness the fruits of their labor, at the rehearsal of both the County of Vulcan Junior Band, and the County of Vulcan Senior Band. It is most encouraging to the officers of the Band Association to receive much overwhelming support of the people of the community. Players have been recruited, instruments have been purchased, a band master has been established on a permanent basis, and we now have a junior band of over 40 members, and a senior band of over 20. They are organized on a solid foundation, and their playing will be a source of inspiration to the community for many years to come.

The County of Vulcan Band Association says to all of you folks, "thanks for your support".

We do, however, come to you with one problem. We have a young player in the junior band who is doing very well, and so far has been renting an instrument. As the rental period is over, he has had to turn his instrument in, and he is unable to buy one of his own, and he will have to quit playing. Is there someone who would donate this instrument to the band so we could rent it to him cheaply until he could purchase one? He needs an E flat alto saxophone. Even a good used one would do.

This week we introduce to you the final section of our junior band. They are the drummers. Some people may think that the drummers are not so important as some of the other players, but really, the drummers are the "Policemen" of the band. They are the "second conductors", and in our junior band, they are Jack Richardson, Pat Wylie, Heather Robbie, Eldon Fleming and Billy Christensen. Billy is a very ardent drummer and never fails to turn up at both the junior and senior practices.

Bandmaster Dee had his tape recorder at senior practice this week in order to play back to us some of our playing. He said he had just taken his tape recorder out of the repair shop before he came down for rehearsal. He wondered if he should have left it there, as it still seemed to make some awful weird noises. Or could it be that the repair shop had just given it an injection of "truth serum"?

Ladies don't forget the bake sale in the Legion Hall at 3:00 p.m. Saturday, Nov. 30.

Both the junior and senior bands will be playing in a concert in Vulcan on Saturday in conjunction with the Shopper's Day. Program starts at 7:30 p.m. in the Vulcan Lodge Hall.

HOME CARE OF GAME

Game properly cared for in the field and suitably skinned, is cut into convenient pieces, packaged, safely stored to prepare it for satisfactory home cooking.

Cutting is not a haphazard operation. Cut into halves down the backbone. Cut between the last two ribs and through the backbone to divide halves into quarters.

Badly shot portions should be cut out and discarded. Pieces that are merely blood-shot, out into small chunks, score, soak overnight in salt water, and use in stews, hamburger and mincemeat.

If you cannot do a competent job of cutting roasts, steaks and chops have a locker plant do it. Wrap in moisture-vapor-proof paper and freeze or can in accordance with recommended meat canning procedures.

Directions For Cooking Venison

The use of herbs, spices, condiments and such vegetables as tomatoes, onions and garlic can do much to improve game, especially if the meat is strong-flavored.

Since venison is apt to be dry after cooking, moist heat is more desirable than dry heat for all except the very tender cuts. A pressure cooker can be used to advantage as this method of preparation supplies the necessary moisture and the tenderizing of the tougher cuts. Times for cooking will depend on the age of the animal and condition of the meat. Pounding the tougher steaks and chops before cooking helps break up the long meat fibres that are sometimes found in elk meat.

Freezing

The principles of cooking frozen venison are the same as those for cooking frozen beef.

Broiling And Roasting

For oven broiling, choose medium to thick steaks from rib to loin. Wipe with a damp cloth and place in a pre-heated broiler set at 350 degrees F. When brown on one side, salt and turn. The time required for broiling will depend on the stage of doneness desired and the size of the steak. A one-inch deer sirloin steak will require about

15 to 20 minutes to reach the medium done stage. Elk steaks will take a little longer than the corresponding beef steak. Many people prefer medium or well-done venison rather than rare, because after longer cooking any unusual aroma will have disappeared.

When pan broiling, place meat in a preheated skillet that is just lightly greased. Cook over medium heat, turning once, until meat has reached the desired state of doneness. Salt it after turning.

When oven roasting, rub salt into the surface of the roast and place in an uncovered pan. Insert a meat thermometer into the centre of the largest muscle, being careful to avoid contact with bone or fat. Roast at a constant oven temperature of 170 degrees F. All game has a dark surface when roasted and may appear to be done before it actually is.

Ensign Man Wed In Ontario

An altar banked with bronze and white mums formed the background for a pretty wedding in the Laurel Lee Presbyterian Church in Sarnia, Ontario on Oct. 12, 1963, when Shirley Ann, only daughter of Mr. and Mrs. Raymond Clements, was united in marriage with David Heide, eldest son of Mr. and Mrs. Jake Heide of Ensign, Alta. Rev. Douglas Black officiated at the double ring ceremony.

The bride, given in marriage by her father, chose a waltz-length gown of point lace and tulle. The basque bodice was accented with a square neckline embellished with sequins and pearls, and lily-point sleeves. The bouffant skirt of tulle had an overskirt of point lace, draped at the front and held by a tailored rose. Her lace edged silk illusion veil was held by a crown tiara, and she carried a white Bible with red roses and stephanotis.

Attending the bride were her cousins, Miss Linda Gibb, as maid of honor, who was attired in an afternoon gown of pink lace and Miss Doreen Trigger as bridesmaid attired in pastel blue nylon organza. They wore matching tiaras and short veils and carried nosegays of white mums and pink carnations.

Attending the groom as best man was John Miller of London; and ushers were Wayne Clements, brother of the bride, and Roderick Hickson of London. A reception for relatives was held at the home of the brides parents. The bridal table was centered with a beautifully decorated three-tiered wedding cake, flanked with bouquets and tall tapers.

For going away the bride changed to a brown shift over which she wore a beige coat with brown accessories and a corsage of yellow and bronze mums. The brief honeymoon was spent at points in the U.S.A. They are making their home in London, Ont.

WHITE WASHING AND DISINFECTING RECOMMENDATIONS:

Disinfecting and white washing barns in the fall will keep disease and parasites to a minimum during the winter months. Remember also that bright clean barns are an indication to prospective buyers of healthy animals and efficient management.

The Alberta Veterinary Services Branch stress that the importance of a well organized sanitary program cannot be overemphasized from the point of view of reducing livestock production costs.

To do a good job of white washing and disinfecting, the buildings must be thoroughly cleaned. No disinfectant is very effective where there are large amounts of organic matter such as straw or manure. Walls, ceilings and ledges should be brushed down with a wet broom and the floors and sides of the stalls or pens scrubbed with a lye solution.

One can of lye, dissolved in 2½ gallons of water is recommended for routine disinfecting. All feed and water troughs should be thoroughly cleaned and disinfected. This is particularly important in the case of poultry, calves and young pigs. Accommodation, which has been used for sick animals should be scrubbed out with a solution of 2 cans of lye to 2½ gallons of water, or some other equally good disinfectant.

The Veterinary Services Branch recommend the following procedure for white washing. Use a stiff brush and a wet cloth or hose, remove the old coat before applying the new which should always be put on while the surface is still damp. If it dries too quickly it is likely to chalk and rub off.

Carbola White Wash Mix is a ready mixed spray which is reported to give excellent results. If a home-made white wash is to be used, mix 1 bag of hydrate lime to 7 gallons of water. Then dissolve 6 lbs. of salt in 3 gallons of boiling water and mix the two solutions together when they are cold. Next, stir in 3 pounds of Portland cement with a disinfectant such as Creolin and let the solution stand for several days before it is used.

"To the press alone, checked as it is with abuses, the world is indebted for all the triumphs which have been obtained by reason and humanity over error and oppression." James Madison.

LOMOND

Friends will be pleased to learn that Henry Lindstedt is recuperating nicely after undergoing surgery at the Lethbridge Municipal Hospital last week.

Best wishes for a speedy recovery are extended to Jim Foreman, a patient in the Colonel Belcher Hospital at Calgary where he underwent eye surgery on Tuesday of last week.

Skating at the rink in the Lomond Civic Centre was enjoyed last Saturday but already with the Chinook over the weekend the ice is no longer fit for use at present.

Mr. and Mrs. Ralph Richardson and family of Berrywater were Sunday visitors at the home of the latter's parents, Mr. and Mrs. L. Chase.

The wedding of Diane Pytlarz only daughter of Mr. and Mrs. John Pytlarz of Lomond and Thomas Marks of Armada took place at the home of Mr. and Mrs. William Marks on Saturday afternoon, Nov. 23. Officiating at the ceremony was Rev. Victor Cowell of the Anglican Church at Vulcan.

Mr. and Mrs. Gerry Tomfohr of Milk River have returned home after spending several days last week visiting at the home of Mr. and Mrs. Floyd Sande and David.

While here they were guests at the Lomond Lions Ladies Night on Tuesday evening, Nov. 19.

Mr. and Mrs. L. Chase and Mrs. Pete Ruppert were Lethbridge visitors on Saturday of last week.

FAREWELL PARTY

A farewell party for an old-time Lomond couple was held at the Lomond Community Centre on Saturday evening, Nov. 23. Guests of honor were Mr. and Mrs. Alex Neilson, who had resided in this community for approximately 40 years, and had taken an active part in community activities.

The enjoyable social evening began with numerous card games. A program followed with Henry Huff acting as master of ceremonies. Various musical selections solos and a community sing-song were enjoyed following which the couple were presented with a purse on behalf of their many friends in Lomond and district. Mrs. Neilson was also presented with several little gifts from the ladies clubs as a token of their appreciation for all the help she had given them over the years.

A lovely lunch was served to all to bring to a close a most enjoyable evening.

BIRTHDAY CLUB

On Nov. 14, the Birthday Club met at the home of Mrs. Ann Johnson. The members joined in singing "Red Sails In The Sunset" to open the meeting. Eleven members answered the roll call and most of them answered by reading or reciting a poem.

There were three lady visitors and two girls, hostess aides. Without a full membership present it was decided to leave the quilt project until the December meeting, as was the date for the annual Christmas Dance. The members decided they would share in the

District News

dinner for the Agricultural Short Course that was proposed for February.

Mrs. Andy Stanko was the honored birthday member. Mrs. Florence Hart won the raffle. Mrs. Anton Volesky provided an interesting contest for the afternoon entertainment. Mrs. Pearl Robertson and Mrs. Maude Chambers were joint winners with Maude Chambers being the fortunate "tie-breaker". The hostess provided a most delicious lunch with the assistance of the lunch committee and her two aides.

Since the December hostess, Mrs. A. Volesky, was agreeable it was decided to hold the December meeting one week earlier on December 5.

BERRYWATER

Mr. and Mrs. Ralph Richardson and family, accompanied by Mrs. Rose Fox were Lethbridge visitors on Monday.

Calgary visitors for a few days last week were Mr. and Mrs. Warden Budd and family. They visited at the home of Mrs. Budd's mother, Mrs. Huget and other relatives.

Mr. and Mrs. Bill Sharp and John were Sunday visitors at the home of Mr. and Mrs. Eli Hopkins of Champion.

John Webber of Calgary, accompanied by Norman Brassard of Mossleigh spent the weekend at the home of Mrs. T. Webber.

Mr. and Mrs. John Hoobanoff infant son, Bradley Nickolas, accompanied by the former's mother, Mrs. J. Hoobanoff of Tugham, B.C., were Sunday guests at the home of Mr. and Mrs. Nick Hloook-off and boys. It was Bradley's first visit to his grandparents, and congratulations are extended to both grandparents and parents.

Mr. and Mrs. Bob Gerding and family were High River visitors on Friday.

Hardly Realistic

"Unrealistic" is one of the first words that come to mind when studying the requests of some 20,000 members of the operating staffs of both Canadian railways, who have demanded an increase of 12 per cent in wage scales when their present contract runs out at the end of the year, and even above this, a number of fringe benefits. The fringe benefits may not add any money to the worker's pocket, but they definitely give him a better standard of living at no extra cost, and they sure take it out of the railway's pocket.

And to make the effrontery even more crude, they have tagged a statement to their demands that they do not want to be bothered with any "delays" such as have been experienced in former negotiations. The glint of naked power is just as frightening when the strength of unions is shown as when the strength of steel armor-plate is demonstrated.

Much more feeling is shown by the much stronger . . . 80,000-odd . . . non-operating staff who have requested from 15 to 20 cent increases. Even so, this works out at something like a \$350 bump, hardly insignificant, even by union standards.

We don't know how the pay of rail workers compares at present with that of other trades, and maybe we ought to. However, there have been so many surges in their rates over the years it seems hard to imagine they're seriously out of line. On top of this, we do know that there is no union among the people who are going to be stuck with paying the increase. The consumers who pay the freight can't somehow get together and use this "either pay or else" technique.

It's deplorable to see the big stick method being used in all of labor's so-called bargaining. The fear and brutality brought out in the SIU problems are not restricted to that union alone either, and the public is mighty impatient to see some of the might put in the hands of the unions by the governments balanced off by counter controls. What is fair and just for one side of the agreement should also be fair and just for the opposition.

—The Camrose Canadian

How About This?

Following is a Hymn to the Welfare State, the product of an anonymous writer in Cambridge University Medical Society:

The Government is my shepherd,
Therefore I need not work.
It alloweth me to lie down on a good job.
It leadeth me beside still factories;
It destroyeth my initiative.
It leadeth me in the path of parasite for
politic's sake.
Yea, though I walk through the valley of
laziness and deficit-spending,
I will fear no evil, for the Government is
with me.
It prepareth an economic Utopia for me, by
appropriating the earnings of my own
grandchildren.
It filleth my head with false security;
My inefficiency runneth over.
Surely the Government should care for me
all the days of my life!
And I shall dwell in a fool's
paradise for ever.

LETTER TO EDITOR

November 17, 1963
11151 89th Ave.,
Edmonton, Alberta.

To the Editor of The Advocate,

Dear Sir:
Re: letter to the editor regarding the Scouting Movement in the Oct. 23 edition of The Advocate.
Mr. Roe, you are a "die hard" indeed, but if you do "die," I doubt if you should ever be forgiven. I sincerely believe that you are on the right track with the Scouting problem but I disagree somewhat with your approach to it.

You have asked a question that will, in many minds, undoubtedly be affirmed. Anything that will relieve the burden that the modern-day parent THINKS he is carrying will receive unanimous acclaim.

It seems that the parent's obligation to his children has been substituted by the parent's obligation to himself. As you have pointed out, in the minds of the parents; fishing, curling and golfing are becoming more important than the appreciation and support of youthful enterprises. The parent is drastically mistaken if he thinks his obligation to his children is fulfilled by a liberal allowance and a good education as parents in general do believe. The real obligation is to appreciate what the imagination of youth can do with his allowance and education — along with the other aspects of obligation to their children.

Big business is taking a strengthening grip on society as a whole at present and the apathetic attitude that our parents maintain towards their children's enterprises is one of the unfortunate manifestations of the situation. The quest for business success, the struggle for recognition, and the desire to be looked upon as one of the elite has left all virtue to the few that "have time for it" (ie. The fourteen persons attending the parent meeting of Oct. 8). Indeed, the more successful in big business one becomes — the less virtuous he becomes.

Unfortunately or fortunately, organizations such as the Scouting movement do depend on sponsoring parents — and if parental interest in Scouting continues its leprotic trend, the movement will crumble and the blame will fall to those "parents" who simply do not care. As a result, the whole issue will be forgotten. My only hope then would be in the youngsters that were directly involved — if they grew up to resent the lethargic attitude of their parents and countered every wish of their parents, I would say GOOD. The "PARENTS" got exactly what they deserved.

To the fourteen stout supporters of Scouting in the area I would recommend a hearty vote of appreciation from every Parent-of-a-Scout in the area. I agree with you that this appreciation is best expressed by an active interest in Junior's endeavors.

Mr. Roe, I shall close on this note — if you want to get your point across to your friend and your neighbor, you will, literally, have to jerk him off his high horse, back him into a corner, and stuff the issue right down his well-worn throat. You may even have to use profanity to make him understand. In other words, in order to get any action, you are going to have to do something drastic, for the time for asking questions is past. Perhaps if you put a very prominent homosexual in charge of the troop you will get the desired positive results.

Sincerely yours,
M. Dale Phillips.
Former resident.

SHOWER FOR ROSE AKITT

On the evening of Nov. 15, the Carmangay United Church basement was scene of a miscellaneous shower honoring Rose Akitt, bride-elect of this month. Her friends and family were greeted by Margaret McLeod, mistress of ceremonies for the evening.

The program was opened with a sing-song, conducted by Margaret with Emma Smith as pianist. Joy Lazo sang a solo in her own delightful style and was followed by Norrie MacMillan who gave a humorous reading, and the program closed with a contest, the prize was won by Josie Bach.

The bride's table was decorated with roses, and centered with a bride-doll cake made by Leona Hunt. Seated with the honored guest, and assisting with the gifts, were her grandmother, Mrs. E. Akitt and her aunts, Leona Akitt, Belle Green and Ada Vaage. The presentation of the gifts was made by Norma Lyckman and Jeannette Anderson, and Rose thanked the hostesses and her friends. The honored guests wore a pretty hat made by Reta Wynn and decorated with the gift ribbons, and a corsage made and presented to her by Mrs. Wynn at the opening of the evening.

The evening closed with an enjoyable lunch served by the hostesses. Mrs. Roy Church was in charge of the guest book.

ANNABLE — MCGINNIS

White and blue tinted mums and fern were used to decorate the altar in the First United Church, Lethbridge, when Colleen Sue, younger daughter of Mr. and Mrs. Gilbert McGinnis of Carmangay exchanged marriage vows with Lloyd Nelson Annable, only son of

Mr. and Mrs. Harold Annable of Barons.

The double wedding ring ceremony was performed by Rev. Weatherburn. Miss Barbara Brookie, accompanied at the organ by Mrs. Clock, sang "The Wedding Prayer", during the signing of the register.

Given in marriage by her father, the lovely bride chose a simple taffeta floor-length portrait gown, featuring lily-point sleeves and a lace trimmed train. Her short tiered veil was held in place with a white satin rose piece at the front of the head. She carried a bouquet of deep rose sweetheart roses and trailing ivy.

Attending the bride as matron of honor was her only sister, Mrs. Carol Leswick of Ponoka. Miss Donna Hubka of Lethbridge and Miss Gayl McFarland of Edmonton were bridesmaids and Ruth Annable, sister of the groom was junior bridesmaid.

The bridesmaids were identically attired in royal blue taffeta dresses. They wore silver slippers and short silver veil head-pieces held in place by blue toned flowers. Each carried baskets of white and blue mums with silver ribbons.

Attending the groom were Bob Foster, Calgary; Allan De Valois, Barons, and Don Burwash of Edmonton. Ushers were Barry McFarland, Carmangay and Al McKunken, Calgary.

The bride's mother wore brown cotton lace over taffeta with a feather hat and brown accessories. The groom's mother wore a blue wool two-piece dress with matching hat and black accessories. Each wore a corsage of talisman roses.

A reception followed in the "Alberta" room at the El Rancho. The bride's table was decorated in the silver, white and blue theme fea-

turing a three-tiered wedding cake which was encircled with smilax and white baby mums.

Gary White of Calgary acted as master of ceremonies and John McFarland proposed the toast to the bride.

Miss Lillian Letal attended the guest book and Mrs. Ben White, Mrs. Gary White, Mrs. Stan Ober-ton and Miss Sharon Clark were in charge of the gifts.

Out-of-town guests were from Vancouver and Creston, B.C.; Edmonton, Busby, Red Deer, Ponoka, Calgary, Claresholm, Picture Butte, Iron Springs, Fort Macleod, Champion, Carmangay and Barons.

A wedding dance was held in the Carmangay Hall honoring the young couple.

For travelling the bride chose a dark blue wool tweed suit with white hat and black accessories. Her corsage was of pink sweetheart roses.

On returning from Banff, the young couple will make their home in Calgary.

It was the first time in Canadian Pacific's 83-year history that the board met in the Southern Alberta centre. Front row, left to right: I. D. Sinclair, Q.C., Mont-

real; Henry S. Wingate, New York; Lucien G. Rolland, Montreal; George W. Bourke, Montreal; N. R. Crump, Montreal; H. Greville Smith, Montreal; G. H. Baille, London, England; G. Arnold Hart, Montreal; L. J. Belnap, Montreal. Second row, left to right: Harry E. Sellers, Winnipeg;

Harold M. Turner, Toronto; Hon. J. V. Clynne, Vancouver; Cyril F. H. Carson, Q.C., Toronto; G. Blair Gordon, Montreal; H. G. Welsford, Montreal; G. M. Bell, Calgary; H. H. Lank, Montreal; Howard C. Sheperd, New York; R. A. Emerson, Montreal.

Georgia Brownell won the raffle. This meeting was a birthday party for those members with birthdays in October, November and December, and these were Frances Burns and Connie Stettner who were present and Eileen Hurnanen and Grace Moore who were unable to attend.

Corsages were pinned on the birthday guests and all were seated at a beautifully decorated table, centered by a birthday cake made by Elnora Anderson.

Members sang "Happy Birthday" to Connie and Frances, who were then presented with a gift from their sunshine friend. They graciously thanked the hostess and their sunshine friends.

Next meeting will be held at the home of Lydia Anderson on Dec. 4. This will be a Christmas gift exchange among members. Roll call will be to tell something interesting beginning with the letter "R". Each one is also to bring a slip of paper with the names of their choice for officers for the coming year.

WEST COUNTRY CLUB

West Womens Club was held on November 20, at the home of Mrs. Phyllis Clark.

The afternoon was spent by planning the afternoon and evening banquet for the senior citizens to be held on November 24.

Wayne Wilderman who is attending the Olds School of Agriculture, was home for the weekend.

Miss Shirley Brackley of the Stettler Hospital staff, spent a few

days visiting here with her parents. The house on the Wilderman farm is being torn down. This is quite a landmark of the district, having been built over 50 years ago. As it is located about half way between High River and Vulcan, many travelling the Sunshine road used to stop at the Wilderman farm and all were met with warm hospitality. These people and friends of the Wilderman family will recall many happy memories spent in this home.

50th ANNIVERSARY

Over 50 people attended the banquet and entertainment held Saturday, Nov. 16, in the IOOF Hall, Blackie in celebration of the 50th Anniversary of the Plainview IOOF Lodge No. 106. Sunday Fire At Rooming House

A brief fire interrupted the pre-supper hour last Sunday afternoon as the Vulcan brigade was called to the Sam Yee rooming house to extinguish a kitchen blaze.

Fire apparently broke out at the kitchen range and got a good start before hoses were turned into the room. Actual damage was confined largely to the kitchen area.

As the season of bitter weather approaches with accompanying full use of furnaces, the fire department has urged home owners to be especially aware of the importance of home winterization. If furnace, pipes and chimneys have not been checked a complete inspection should be done at once. Members of the department are available in this regard and a supply of both commercial and residential fire extinguishers is available from them.

LUZ MARIA ROZA

(By Mossleigh Correspondent)
For the second year the students of the Mossleigh Students' Union, composed of Grades seven, eight and nine, are supporting a Foster Child.

Through various functions and foregoing their school Christmas gifts they have been able to forward the \$192 that is necessary for the care of a foster child.

The child, Luz Maria Roza, is a native of Bogota, Colombia. As Grade nine spends a good deal of their Social Studies periods studying South America, they felt this would be one way to have a direct contact and interest with at least one country of that vast continent.

Luz Maria Roza is 13 years old and lives in a slum area of the city. She had never been to school and could not read or write. However, the students were thrilled the other day when they received a letter to them by Luz Maria. Through the efforts of the students Luz Maria had begun school last year, and now a year later, she had progressed so rapidly that she could write a letter, even though there were a few mistakes in it, where the interpreter had changed the spelling here and there. It is seeing progress like this that makes the students realize how worthwhile is this project.
